The UBOX-B4BP + Easy Data Vault can makes backups and restores fast with high speed USB 4.0 transfers and take your data anywhere. The compact drive and APP ensure your files travel with you. It also keeps your data offline and under your control, no need for risky cloud storage. The UBOX-B4BP let you experience effortless compatibility and intuitive operation and benefits the cost saving.

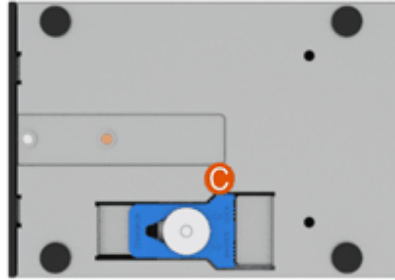

The installation for The UBOX-B4BP is hassle-free. Using the latch lock, tool free design to quickly set up your M.2 NVMe SSD inside the UBOX-B4BP, and download the Easy Data Vault APP from the Apple store.

Then plug it into your iPhone or iPad using the USB-C interface to connect the UBOX-B4BP and open the app to start managing your files. Whether you choose a full backup or selective saving, protect your memories in seconds to backup and enjoy the product.

A. USB 3.2 Gen2 Type-C Port  
B. USB Type-C for DC Input

C. The Latch Lock

## Specification

<b>Model No</b>	UBOX-B4BP
<b>Interfaces</b>	1 x USB4 (up to 40Gbps) USB-C
<b>Compatible Drives</b>	1 x M / B + M key M.2 PCIe NVMe SSD (2260/2280)
<b>Storage Mode</b>	JBOD - Independent Mode
<b>Operating System</b>	<a href="#">Windows</a> 7 or above, macOS 10.x or above, <a href="#">Linux</a> OS
<b>Electrical and Operating Requirements</b>	* Line voltage: 12V + 5V DC * Operating temperature: 32° to 104° F (0° to 40° C) * Storage temperature: -4° to 116° F (-20° to 47° C) * Relative humidity: 5% to 95% non-condensing
<b>Dimension</b>	69.85(W)x 15(H) x 108.08(L) mm
<b>Package Accessories</b>	* UBOX-B4BP x 1 * USB4 (Type-C to Type-C) Cable x 1 * USB3 (Type-C to Type-A) Cable x 1
<b>Note</b>	Dual USB Cables: It comes with two types of USB cables – a high-speed USB 4.0 cable for maximum performance and a USB C to A cable for backward compatibility with USB 3.0, enhancing its usability with both modern and traditional devices.
